(our file number/Notre numéro de dossier:6198296)

When you registered your company with the Companies Office, you already had a Business Number (BN). We have obtained an account identifier for your new registration. You may use this number whenever you need to contact us. Your BN is:

Lorsque vous avez enregistré votre entreprise auprès de l'Office des compagnies, vous aviez déjà un numéro d'entreprise (NE). Nous avons obtenu un identificateur de compte pour votre nouvel enregistrement. Vous pouvez utiliser ce numéro chaque fois que vous avez besoin de communiquer avec nous. Vos coordonnées sont les suivantes :

Business Number (BN)	Account Identifier
83483 9664	MC 0001

Numéro d'entreprise (NE)	Identificateur de compte
83483 9664	MC 0001

As you know, the first nine digits of the BN are unique to either the registrants of your business name or to your corporation. It stays the same regardless of how many or what type of government accounts you add to it. The two letters in the Account Identifier represent the program area, in this case, Manitoba Companies Office. The last four digits identify the account number within that program area.

Comme vous le savez, les neuf premiers chiffres du NE sont réservés exclusivement aux personnes qui ont enregistré votre nom commercial ou à votre corporation. Le NE demeure le même, quel que soit le nombre ou le genre de comptes gouvernementaux que vous lui ajoutez. Les deux lettres de l'identificateur de compte représentent le secteur de programmes, soit, dans le cas présent, l'Office des compagnies du Manitoba. Les quatre derniers chiffres indiquent le numéro de compte dans le secteur de programmes en question.
